

## Denver area Young Leader's tour Anglo-American's Cripple Creek Gold Mine

Denver local members of the SME Young Leader's Committee members Chris Ross and Erik Ronald participated in a mine tour of Anglo-American's Cripple Creek & Victor (CC&V) Gold Mine located near Victor, CO on Saturday April 26. The tour was sponsored by the Denver Regional Exploration Geologists Society (DREGS) and was led by Tim Brown, CC&V's Exploration Manager.

Highlights of the trip included a pre-lunch presentation on the historic mining district, orebody genesis and future developments. After the presentation, the tour included several stops in the pit as well as at the primary crushing facility.

The SME Young Leader's Committee is an active organization seeking to provide younger members of SME the opportunity for professional and career development. If you'd like to learn more about the Young Leaders please go to [www.smenet.org/YoungLeaders](http://www.smenet.org/YoungLeaders).
